

Dear Pre-Ballet I/II Families,

We hope that your child is enjoying their dance classes thus far. Each year we invite our Pre-Ballet students to take part in three sessions of Creative Movement during the dance season. These classes will take place during their regularly scheduled dance class as a reward for their hard work throughout the year. Each Creative Movement session will have a different theme. The students are invited to dress up as characters from the designated theme, but it is not mandatory to do so. If they choose not to dress up, the regular class dress code applies.

Our Creative Movement sessions help develop fine motor skills, encourage children to use their imagination and teaches problem solving skills. Below you will find the Creative Movement schedule for this year. **Remember your session will correspond with your child's regularly scheduled class. Please bring your child only on the day that corresponds with their regular schedule.** If you have any questions, please feel free to reach out to me or your child's teacher. I hope they enjoy this break from their regular dance instruction.

Miss Angie
Artistic Director
