

## Elite Contemporary Costume Corrections "The Mountain Between Us"

The following are corrections noted at the Dress Rehearsal on March 18. All corrections must be followed in order to perform on stage.

### CLOTHING

- Please cut the tag at the neck of the costume out.
- Please put the nude straps back on the undergarment for this dance to keep the clear straps needed for your other dance from getting dirty.

### MAKE-UP

#### PLEASE PAY ATTENTION TO THE FOLLOWING CHANGES IN MAKE-UP:

- Blue eye shadow on eyes should be more of a turquoise and white rather than light blue.

- This is the make-up pallet that you were emailed about. Miss Jacqueline purchased enough for everyone (excluding Molly who already has it, and one for Shannon and Christi to share). The cost is \$10 and will be paid for at the desk.

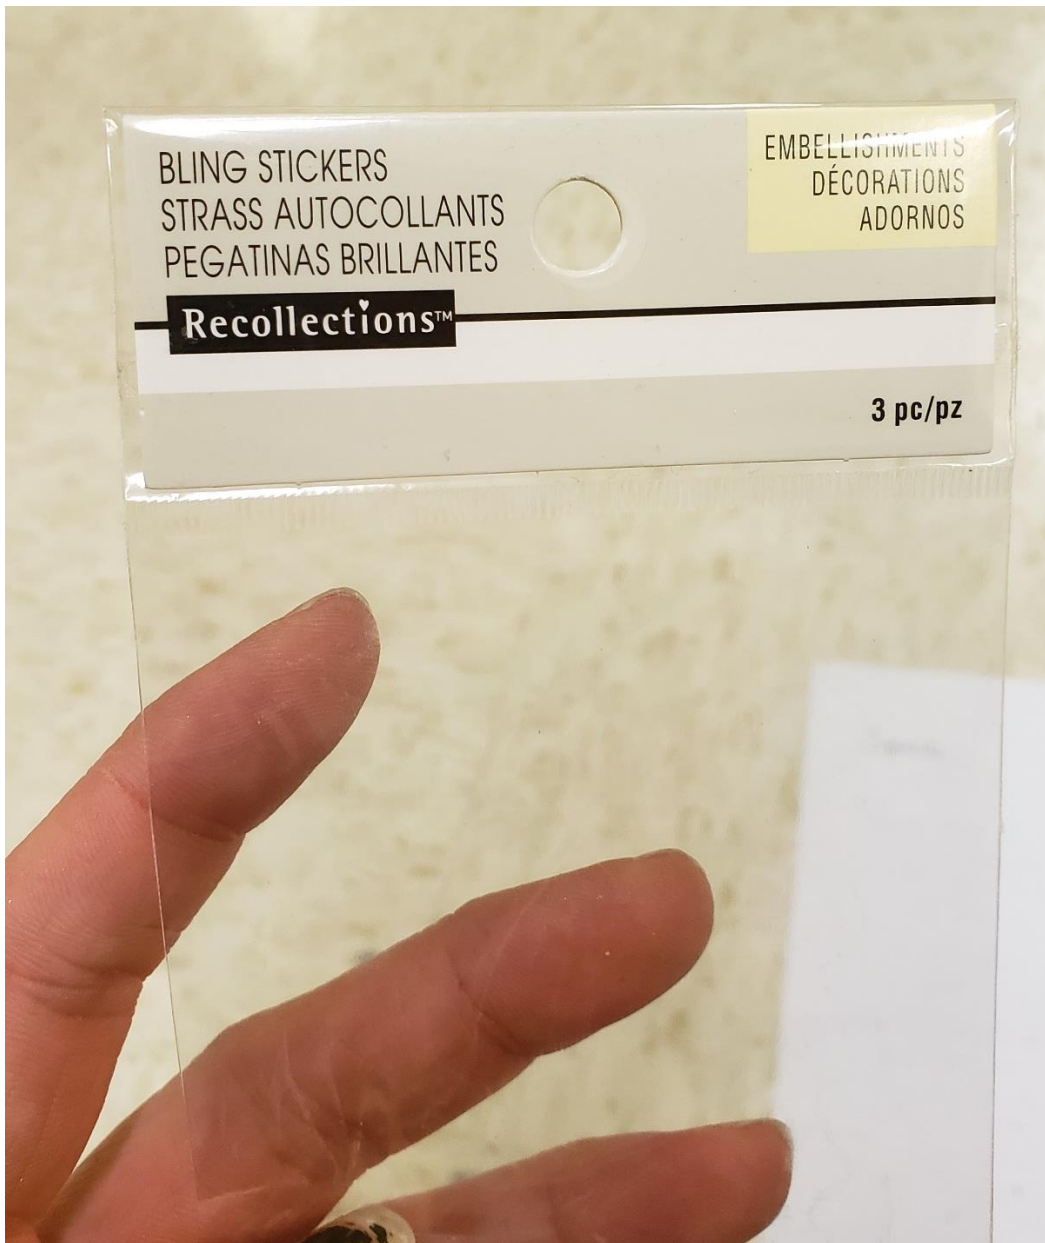

- This is a picture of the gems for the eyebrows, and this is available at Michael's. There should be NO eyeshadow on the brows. The royal blue gems are to be applied on top of the eyebrows.

- This picture shows you how to apply the gems across the eyebrows.

- Please see Miss Angie for your pack of crystals. She will provide them for you. This is a picture of the product packaging.

- This is how the placement of the crystals should look.

**\*\*Elite Company will have extended class until 9:30PM on Monday, March 25, April 1 and April 8. Mountain make-up must be worn to class on Monday, April 1 with the new changes implemented and to be reviewed because of difficulties many had in applying it at the dress run. Please practice applying this make-up because it is quite involved!\*\***
