

Elite Lyrical Costume Corrections "Stop the Violence"

The following are corrections noted at the Dress Rehearsal on March 18. All corrections must be followed in order to perform on stage.

CLOTHING

- Lyrical shoes must be CLEAN. If you can't get them clean enough, you may need to purchase new shoes.
- No tights with this costume - please have your legs shaved! 😊
- An appropriate thong is needed. It should be nude colored and as close to your skin tone as possible, and there should be no writing on the underwear (darker underwear and writing can be seen right through the costume). Please make sure your underwear is fitted properly so that it stays in place while dancing.
- Please wear the CLEAR straps in the bra - you may need to buy new straps so that they are not discolored from use. Wear the straps straight back (NOT criss-crossed).
- If you have not done so already, please purchase the earrings for sale at the Lower Paxton desk (available pierced or clip on).

HAIR

- This costume did not come with a hair piece. One was ordered for you on Tuesday of this week. The cost of the hair applique is \$9 and this was added to your Studio Director accounts already. Once they are in and paid for, they will be handed out in class.
- Please check to make sure you are not wearing any hair ties around your wrists before going on stage.

MAKE-UP

- Make sure that all eyelid creases are dark.
- Cadence & Molly - please darken your eyebrows.
- No nail polish (clear polish or French manicures are OK).

**Please have fashion tape for the finger lights. We are going to try a new way of wearing them because of difficulties during the dress run. If you want to

designate one person to purchase the tape and all chip in, there should be enough in one pack for everyone.**

Please be sure to ask if there are any questions regarding these corrections!
