

Junior Company Costume Corrections "Little Shop of Horrors"

The following are corrections noted at the Dress Rehearsal on March 22. All corrections must be followed in order for your child to perform on stage.

CLOTHING

- Please go over the costume with a steamer or put it in a hot bathroom for a few days to help get some of the wrinkles out. Some costumes look more pressed than others.
- Wear the **NUDE** straps on the bodysuit, not the clear straps. Straps should be worn straight back and not cross-crossed.
- Try your best to keep the nude bodysuit hidden under the leotard of your costume so that it doesn't look like underwear is peeking out.
- If you are wearing clip-on earrings, please get a piece of fashion tape and stick it to your earlobe, then clip the earring overtop. This will help to keep the earring from flying off as you are dancing.

HAIR

- All ponytails should be 2 inches from your hairline so that there is consistency among everyone.
- Your hair should be "dirty" in order to hold the curl better.
- Please use 2 sets of criss-crossed bobby pins on the barrette of the bow to hold it in place.

MAKE-UP

- Rachel, Addison, Ryan, Lyla & Katie: Please wear a little more blush.
- Lyla: Please darken eyeshadow in the creases of your eyes.
- Lyla & Addison: Darken eyebrows.
- Ryan & Sophia: Please exchange lipsticks. 185 Miss Magenta is the correct shade, but the company made a new shade of it. **DO NOT** get the tube that says "new" on the sticker. If you open up the tube to look at it, the color should be more of a dark pink than a bubblegum pink.

Please be sure to ask if there are any questions regarding these corrections!
