

## Level 2 Costume Corrections

### "BAMM"

The following are corrections noted at the Dress Rehearsal on March 22. All corrections must be followed in order for your child to perform on stage.

#### CLOTHING

- Make sure that you have the **BLACK** Jazz boots.
- Make sure you have **BLACK** tights under your costume, not tan.
- Please make sure the pink kneecap is centered at the knee.
- Make sure the leggings are pulled all the way down and not tucked under.
- You must wear a **NUDE** bodysuit under your costume - no other colors. The straps should be worn straight back.

#### HAIR

- Buns look good.
- Please reinforce the bones on the barrettes with hot glue.
- Bones should be facing outward on the bun itself, not on the head.
- Criss-cross 1 set of bobby pins on the barrette to keep them in place. Bobby pins must be the same color as the hair.
- Olivia: please get blonde hair nets.

#### MAKE-UP

- No nail polish. Clear polish or a French manicure is OK.
- Sophia, Maliyah & Rivalti: Please exchange lipsticks. 185 Miss Magenta is the correct shade, but the company made a new shade of it. **DO NOT** get the tube that says "new" on the sticker. If you open up the tube to look at it, the color should be more of a dark pink than a bubblegum pink.
- Sam, Sophia, Alex & Rachel: Please make your cheeks slightly darker.
- Sam, Morgan, Rachel & Alex: Eyebrows should be a little darker.
- Sam & Rachel: Eyebrow creases should be slightly darker.

**Please be sure to ask if there are any questions regarding these corrections!**
