

## Teen Company Costume Corrections

### "Mz. Hyde"

The following are corrections noted at the Dress Rehearsal on March 23. All corrections must be followed in order for your child to perform on stage.

#### CLOTHING

- Shoe straps should be worn behind.
- If your bra strap can be seen above the keyhole, please safety pin it into the costume so that you cannot see it.
- Do not wear tan tights underneath your fishnets.

#### HAIR

- The clip should be placed on your head diagonal from the inside of your eyebrow.
- Please use one set of criss-crossed bobby pins to hold the clip in place while it is unclamped.
- Braelynn, Molly, Olivia, Caitlyn, Sophia & Karis: You need a bigger tease.
- When teasing hair - start at the root and work your way out. Make sure hair is "dirty" and it will hold the tease better.
- Use LOTS and LOTS and LOTS of hairspray!!!!!! The more the better!!!!

#### MAKE-UP

- Cheeks - the dark blush should be applied directly under the cheekbone to look sunken, not applied on top of the cheekbone.
- EVERYONE could use more blush.
- Eyeshadow - go darker and heavier on the "bad" side. The whole way around the eye should be black.
- Julianna: Please darken your eyebrows.
- When making the web, use thinner lines. If you make them too thick, from a distance it looks like you have a black eye.
- Lips - the black color stays on the side of the black line going down your face. There will be more red color on your lips than black.
- Make sure you bring both colors of lipstick along to be reapplied before going on stage.
- No nail polish. Clear polish or a French manicure is OK.

## **MATTHEW**

- Hair in a ponytail with a black hair tie.
- Make sure shirt is tucked in.

**Please be sure to ask if there are any questions regarding these corrections!**
